

Hey SEE-LA Supporter!

SEE-LA is partnering with LA River State Park Partners to bring a new farmers' market to the Los Angeles River State Historic Park in Early 2022! The weekly LA River Farmers' Market will be a gathering place for our diverse community to engage in healthy eating, sustainable living, and cultural heritage.

Please click below for more information and to participate in our community survey!

The survey will take approximately 5-minutes of your time and is available in three languages: English, Spanish and Mandarin Chinese. Your feedback is highly valued and will be used to guide the products, design, and programming of the market as it is developed.

Participate & enter to win! Anyone who takes the survey online and leaves their contact information will be entered in a raffle to win one of the following: SEE-LA market gift basket (\$100 value, 2 available), \$20 Market Money for use at any SEE-LA Farmers' Market (5 available), SEE-LA tote bag (5 available), SEE-LA bandana (5 available).

More information is available at lariverfarmersmarket.org.
